The General Counselling program provides counselling and group work to support young people, adults, couples and families to achieve positive outcomes. The Counsellor works with clients who may be experiencing family and relationship concerns, children who are experiencing challenges including parental separation, employees who need assistance or victims of crime who need support.

This position works across programs providing support to clients ranging from children to adults, couples and families to facilitate the development of strategies for success and increased wellbeing.

We are looking for a person with:

- Relevant qualification in Psychology or Counselling is essential.
- Demonstrated experience working with children and young people.
- Membership or eligibility to join a governing body such as PACFA, AASW or ACA.
- Demonstrated competence in using a broad range of evidence based counselling and group work approaches to support client outcomes
- Strong interpersonal and communication skills including case note writing.
- Demonstrated cultural competency, particularly in working with Indigenous people.

If you exemplify personal drive, integrity and like a challenge we would love to hear from you. If you are wanting to apply for this position please submit your CV and a 1 page cover letter on how you'll best fit the position.
