HPA 'Helping People Achieve'

Helping People Achieve

"Helping People Achieve" is a non-government not-for-profit organisation that has been providing services to Territorians with physical and intellectual disabilities since 1963, in the Darwin and Palmerston areas. HPA currently supports 68 people in our employment service and 40 people in our accommodation services.

HPA the Organisation

Our Mission

- HPA will assist people with disabilities to create a fulfilling everyday life and achieve their full potential. We are a committed and innovative employer and through the successful operation of the core businesses, HPA will provide opportunity for the development of its greatest asset, its people.

Our Objectives

- To develop opportunities for people with disabilities to learn skills, matching with individual ability and to engage in meaningful activities within the various enterprises conducted by HPA.
- To empower people with disabilities and encourage them to gain the work skills needed to move onto open employment.
- HPA strives to create, not only a workplace, but a foundation for community involvement. Through facilitating the development of life skills, which enables people with disabilities to engage in meaningful lives in the community, this can be achieved.

A photograph of a sunset over a calm ocean. The sky is filled with soft, wispy clouds in shades of blue, orange, and yellow. The sun is low on the horizon, creating a bright glow. The water is dark and reflects the light from the sky. The text 'DARE TO DREAM' is overlaid in a large, bold, black font. 'DARE' is on the top line, 'TO' is on the second line, and 'DREAM' is on the third line.
