## **Committee's Report**

30 June 2021

The committee members present their report on Northern Territory Council of Social Services Incorporated for the financial year ended 30 June 2021.

#### **General information**

#### **Committee members**

The names of the committee memberss in office at any time during, or since the end of, the year are:

Names	Position	Appointed/Resigned
Jayne Lloyd	President/Public Officer	Member for full year
Patrick MacDonald	Vice President	Member for full year
Noelene Swanson	Treasurer	Member for full year
Nicola Coalter	Secretary	Resigned - 16 December 2020
Priscilla Atkins	Executive Member	Member for full year
Jilian Smith	Committee Member	Member for full year
Robyn Wardle	Committee Member	Member for full year
Robert Cooper	Committee Member	Member for full year
Anne Buxton	Committee Member	Member for full year
Andrew Keyton	Committee Member	Member for full year
Cheryl Schmidt	Committee Member	Member for full year

Committee memberss have been in office since the start of the financial year to the date of this report unless otherwise stated.

#### Principal activities and significant changes in nature of activities

The principal activities of Northern Territory Council of Social Services Incorporated during the financial year were:

- To promote and assist the development of all aspects of social services throughout the NT.

- To provide to organisations, services and support such as training, a resource base, research and consultationrelating to social issues.

- To contribute to the debate on social issues.

- To ensure the Council is representative on a sector wide and regional basis in the NT as well as representing the interests of members.

- To promote and make representations on behalf of socially disadvantaged groups and those disadvantaged in the NT community by policy decisions.

- To be the peak organisation providing a focal point for the community sector and a reference point for government.

- To provide advice and policy input to all levels of government and other appropriate organisations on behalf of the NT community sector.

- To contribute an NT perspective to the national Council of Social Service (COSS) network.

There were no significant changes in the nature of Northern Territory Council of Social Services Incorporated's principal activities during the financial year.

#### Committee's Report 30 June 2021

#### Operating results and review of operations for the year

#### **Operating result**

The profit of the Association for the financial year amounted to \$ 35,147(2020: \$ 165,038).

Signed in accordance with a resolution of the Members of the Committee:

President/ Jayne Lloyd

Northern Territory Council of Social Service Incorporated

## Auditor's Independence Declaration under Section 60-40 of the Charities and Not-for-profits Commission Act 2012 to the Executive Committee of Northern Territory Council of Social Service Incorporated

I declare that, to the best of my knowledge and belief, during the year ended 30 June 2021, there have been:

- (i) no contraventions of the auditor independence requirements as set out in section 60-40 of the *Australian Charities and Not-for-profits Commission Act 2012* in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

## Notes to the Financial Statements For the Year Ended 30 June 2021

The financial statements cover Northern Territory Council of Social Services Incorporated as an individual entity. Northern Territory Council of Social Services Incorporated is a not-for-profit Association, registered and domiciled in Australia.

The functional and presentation currency of Northern Territory Council of Social Services Incorporated is Australian dollars.

Comparatives are consistent with prior years, unless otherwise stated.

#### 1 Basis of Preparation

In the opinion of those charged with Governance the Association is not a reporting entity since there are unlikely to exist users of the financial statements who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the Association's constitution, the Associations Act (NT) 2003 and the Australian Charities and Not-for-profits Commission Act 2012.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 *Presentation of Financial Statements*, AASB 107 *Statement of Cash Flows*, AASB 108 *Accounting Policies, Changes in Accounting Estimates and Errors* and AASB 1054 *Australian Additional Disclosures*.

#### 2 Change in Accounting Policy

#### Recognition of membership fee income

In the prior year, the Association changed its accounting policy in relation to the recognition of membership fee from being on an accrual basis to cash basis. During the current financial year, the Association has decided to change the recognition of membership fees back to again being on an accrual basis.

Due to this change, the Association recognised membership fee of \$27,711.70 as income in the prior financial year which relate to the current financial year. In addition, membership fees received in the current financial year, relating to the following financial year of \$3,272.71, have now been recognised as a liability, being 'membership fees received in advance'.

The net impact of this change on the current year financial statements is membership revenue has been reduced by \$30,984.41, liabilities increased by \$3,272.71 and retained earnings reduced by \$27,711.70.

#### 3 Summary of Significant Accounting Policies

#### (a) Income Tax

The Association is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

#### (b) Revenue and other income

#### Revenue from contracts with customers

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Association expects to receive in exchange for those goods or services. Revenue is recognised by applying a five-step model as follows:

- 1. Identify the contract with the customer
- 2. Identify the performance obligations

## **Notes to the Financial Statements**

For the Year Ended 30 June 2021

#### 3 Summary of Significant Accounting Policies

(b) Revenue and other income

#### Revenue from contracts with customers

- 3. Determine the transaction price
- 4. Allocate the transaction price to the performance obligations
- 5. Recognise revenue as and when control of the performance obligations is transferred

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Association have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

#### **Grant revenue**

Grant revenue is recognised in the statement of profit or loss and other comprehensive income when the Association obtains control of the grant, it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably.

When grant revenue is received whereby the Association incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

Northern Territory Council of Social Services Incorporated receives non-reciprocal contributions of assets from the government and other parties for zero or a nominal value. These assets are recognised at fair value on the date of acquisition in the statement of financial position, with a corresponding amount of income recognised in the statement of profit or loss and other comprehensive income.

#### **Rendering of services**

Revenue in relation to rendering of services is recognised depending on whether the outcome of the services can be estimated reliably. If the outcome can be estimated reliably then the stage of completion of the services is used to determine the appropriate level of revenue to be recognised in the period.

If the outcome cannot be reliably estimated then revenue is recognised to the extent of expenses recognised that are recoverable.

#### Subscriptions

Revenue from the provision of membership subscriptions is recognised in the year to which the membership relates.

#### Other income

Other income is recognised on an accruals basis when the Association is entitled to it.

## Notes to the Financial Statements

For the Year Ended 30 June 2021

#### 3 Summary of Significant Accounting Policies

#### (c) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

#### (d) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Items of property, plant and equipment acquired for nil or nominal consideration have been recorded at the acquisition date fair value.

Assets measured using the revaluation model are carried at fair value at the revaluation date less any subsequent accumulated depreciation and impairment losses. Revaluations are performed whenever there is a material movement in the value of an asset under the revaluation model.

#### Land and buildings

Land and buildings are measured using the revaluation model.

#### Plant and equipment

Plant and equipment are measured using the cost model.

#### Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the assets useful life to the Association, commencing when the asset is ready for use.

Leased assets and leasehold improvements are amortised over the shorter of either the unexpired period of the lease or their estimated useful life.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Plant and Equipment	40.0%
Motor Vehicles	33.0%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

## **Notes to the Financial Statements**

For the Year Ended 30 June 2021

#### 3 Summary of Significant Accounting Policies

#### (e) Financial instruments

Financial instruments are recognised initially on the date that the Association becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

#### **Financial assets**

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

#### Classification

On initial recognition, the Association classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through profit or loss FVTPL
- fair value through other comprehensive income equity instrument (FVOCI equity)
- fair value through other comprehensive income debt investments (FVOCI debt)

Financial assets are not reclassified subsequent to their initial recognition unless the Association changes its business model for managing financial assets.

#### Amortised cost

Assets measured at amortised cost are financial assets where:

- the business model is to hold assets to collect contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows are solely payments of principal and interest on the principal amount outstanding.

The Association's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Interest income, foreign exchange gains or losses and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

#### Fair value through other comprehensive income

Equity instruments

## Notes to the Financial Statements

For the Year Ended 30 June 2021

#### 3 Summary of Significant Accounting Policies

#### (e) Financial instruments

#### **Financial assets**

These investments are carried at fair value with changes in fair value recognised in other comprehensive income (financial asset reserve). On disposal any balance in the financial asset reserve is transferred to retained earnings and is not reclassified to profit or loss.

Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI.

Financial assets through profit or loss

All financial assets not classified as measured at amortised cost or fair value through other comprehensive income as described above are measured at FVTPL.

Net gains or losses, including any interest or dividend income are recognised in profit or loss (refer to hedging accounting policy for derivatives designated as hedging instruments.)

#### Impairment of financial assets

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for the following assets:

- financial assets measured at amortised cost
- debt investments measured at FVOCI

When determining whether the credit risk of a financial assets has increased significant since initial recognition and when estimating ECL, the Association considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on the Association's historical experience and informed credit assessment and including forward looking information.

The Association uses the presumption that an asset which is more than 30 days past due has seen a significant increase in credit risk.

The Association uses the presumption that a financial asset is in default when:

- the other party is unlikely to pay its credit obligations to the Association in full, without recourse to the Association to actions such as realising security (if any is held); or
- the financial assets is more than 90 days past due.

Credit losses are measured as the present value of the difference between the cash flows due to the Association in accordance with the contract and the cash flows expected to be received. This is applied using a probability weighted approach.

#### Trade receivables

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses. The Association has determined the probability of non-payment of

## Notes to the Financial Statements

For the Year Ended 30 June 2021

#### 3 Summary of Significant Accounting Policies

#### (e) Financial instruments

#### Financial assets

the receivable and multiplied this by the amount of the expected loss arising from default.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Association renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

#### Other financial assets measured at amortised cost

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

#### **Financial liabilities**

The Association measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Association comprise trade payables, bank and other loans and finance lease liabilities.

#### (f) Impairment of non-financial assets

At the end of each reporting period the Association determines whether there is an evidence of an impairment indicator for non-financial assets.

Where an indicator exists and regardless for indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cashgenerating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss.

## **Notes to the Financial Statements**

For the Year Ended 30 June 2021

#### 3 Summary of Significant Accounting Policies

#### (g) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

#### (h) Leases

At the lease commencement, the Association recognises a right-of-use asset and associated lease liability for the lease term. The lease term includes extension periods where the Association believes it is reasonably certain that the option will be exercised.

The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration less any lease incentives received.

The right-of-use asset is depreciated over the lease term on a straight line basis and assessed for impairment in accordance with the impairment of assets accounting policy.

The lease liability is initially measured at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the rate implicit in the lease, however where this cannot be readily determined then the Association's incremental borrowing rate is used.

Subsequent to initial recognition, the lease liability is measured at amortised cost using the effective interest rate method. The lease liability is remeasured whether there is a lease modification, change in estimate of the lease term or index upon which the lease payments are based (e.g. CPI) or a change in the Association's assessment of lease term.

Where the lease liability is remeasured, the right-of-use asset is adjusted to reflect the remeasurement or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

#### (i) Employee benefits

Provision is made for the Association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using market yields on high quality corporate bond rates incorporating bonds rated AAA or AA by credit agencies, with terms to maturity that match the expected timing of cashflows. Changes in the measurement of the liability are recognised in profit or loss.

#### (j) Economic dependence

Northern Territory Council of Social Services Incorporated is dependent on the Northern Territory Department of the Chief Minister for the majority of its revenue used to operate the business. At the date of this report, the committee have no reason to believe the Northern Territory Department of the Chief Minister will not continue to support Northern Territory Council of Social Services Incorporated.

## Notes to the Financial Statements

For the Year Ended 30 June 2021

#### 3 Summary of Significant Accounting Policies

#### (k) Adoption of new and revised accounting standards

The Association has adopted all standards which became effective for the first time at 30 June 2021, the adoption of these standards has not caused any material adjustments to the reported financial position, performance or cash flow of the Association.

#### 4 Critical Accounting Estimates and Judgments

Those charged with governance make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

#### Key estimates - receivables

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

#### 5 Cash and Cash Equivalents

	2021	2020
	\$	\$
Cash at bank and in hand	929,944	473,380
Short-term deposits	262,141	259,672
	1,192,085	733,052
Trade and Other Receivables		
	2021	2020
	\$	\$
CURRENT		
Trade receivables	4,282	16,768
Deposits	2,283	2,283
Cashflow boost receivable	<u> </u>	50,000
	6,565	69,051

The carrying value of trade receivables is considered a reasonable approximation of fair value due to the short-term nature of the balances.

The maximum exposure to credit risk at the reporting date is the fair value of each class of receivable in the financial statements.

Northern Territory Council of Social Services Incorporated 2/5 Goyder Road Parap NT 0820

## Statement by Members of the Committee

The committee members declare that in their opinion:

- the accompanying financial statements are drawn up as to present fairly the state of affairs of the Association as at 30 June 2021, the results of its operations and cash flows of the Association for the year ended on that date;
- the accounts of the Association have been properly prepared and are in accordance with the books of account of the Association;
- there are reasonable grounds to believe that the Association is able to pay all of its debts, as and when they become due and payable; and
- the financial statements and notes satisfy the requirements of the Australian Charities and Not-for-profits Commission Act 2012.

Signed in accordance with subsection 60.15(2) of the Australian Charities and Not-for-profit Commission Regulation 2013.

## Independent Audit Report to the members of Northern Territory Council of Social Service Incorporated

#### Report on the Audit of the Financial Report

#### Opinion

We have audited the financial statements of Northern Territory Council of Social Service Incorporated, which comprises the statement of financial position as at 30 June 2021, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the statement by members of the committee.

In our opinion the financial report of Northern Territory Council of Social Service Incorporated has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (i) giving a true and fair view of the Association's financial position as at 30 June 2021 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards to the extent described in Note 1, and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013.*

#### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (ACNC Act) and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial statements in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Emphasis of Matter - Basis of Accounting**

We draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial statements have been prepared for the purpose of fulfilling the Association's financial reporting responsibilities under its constitution, the Associations Act the ACNC Act. As a result, the financial statements may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

#### **Responsibilities of Responsible Entities for the Financial Report**

The committee members of the Association are responsible for the preparation of the financial statements that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial statements is appropriate to meet the requirements of the Association's constitution, the Associations Act, the ACNC Act and the needs of the members. The committee members' responsibility also includes such internal control as the committee determine is necessary to enable the preparation of a financial statements that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

## Independent Audit Report to the members of Northern Territory Council of Social Service Incorporated

In preparing the financial statements, the committee members are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

#### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.
