

LOVE BiTES

NEW Trauma Responsive Love Bites Facilitator Training

Are you passionate about fostering safer communities and helping young people build healthy relationships?

Become a **Love Bites** facilitator and learn to deliver evidence-based Consent and Respectful Relationships Education Programs.

About the Training

- Learn to deliver the NEW Trauma Responsive Respectful Relationships Programs designed for young people aged 11-18
- NEW information about on consent, relationship violence, coercive control, pornography, online risks, and rights in a relationship
- NEW curriculum mapped activities, manuals, and supporting documents
- Connection to a network of facilitators

Who Should Train?

People working in the following areas who hold a Working With Children Check and National Police Check:

- ✓ Educators
- ✓ Community Leaders
- ✓ Allied Health Professionals
- ✓ Youth and Case Workers
- ✓ DFSV professionals
- ✓ Anyone committed to creating a safer future
