Safer Communities for Children

**A Community Approach to
Child Wellbeing and Safety**

FREE

**NAPCAN workshops
for people working with young children
and their families in the NT**

- Become a facilitator and champion of the SCFC approach
- Explore the SCFC storybooks and materials
- Plan how you can use the kit in your work with children, families and communities
- Learn how SCFC can fit within a child safeguarding approach across your organisation and community
- Get access to FREE electronic resources, and to print resources
- Become a member of the NT SCFC Community of Practice.

Together, we can work to ensure that every child, in every community, is free from harm, every day.
